RE: Campaign Finance Disclosure Notice

To whom it concerns,

As I understand from your letter dated September 7, 1999, candidates "for any other office" are not required to file campaign finance disclosure reports if they do not spend more than \$5,000 or receive donations from a single source exceeding \$200.

However in order to notify you, in case there are any questions, please allow this letter to serve as my notice that I have spent a total of \$581.75 on my campaign. In addition, I paid a qualifying fee of \$115.00. I have not received any donations from a single source exceeding \$200.00, including myself.

Please allow this letter to serve as my final notice that I have not exceed the limits for the election held on October 23, 1999.

Should you need further information please notify me.

Sincerely,

Andrew M. "Andy" Hebert
Candidate for Lafayette City-Parish Council District #8
